To Whom It May Concern:

This letter of recommendation is in regards to Jack Floyd and his ATM business. We have utilized Mr. Floyd on a number of occasions to provide a necessary amenity to large groups of people who attend our events. We hold a number of events annually, both indoors and out, and Mr. Floyd has never let us down. He and his staff are focused on customer service, and in the ATM business being reachable at any time, day or night, is crucial to the success of an event. Mr. Floyd is always available to assist. He is also an asset to the community and always steps up to help when needed.

Mr. Floyd is capable of handling crowds and all of their cash service needs. We have not once looked at another company. If you have further questions regarding Mr. Floyd, feel free to contact me.

Sincerely,

Lee Harstad
