To Whom it May Concern:

We here at The Lodge at Deadwood have been extremely satisfied with both the ATMs and the service provided by the team at Dash 4 Cash Wireless ATM Services. The friendly sales and service staff has consistently made extra efforts to assist us in solving issues in a timely fashion. The easily accessible, up-to-the-minute detailed reports are an incredible feature that we constantly use. We look forward to a continuing relationship with Dash 4 Cash Wireless ATM Services.
